

## Home Education Days – Remembrance and the First World War

Join us for a poignant and educational Remembrance themed day at the Royal Engineers Museum, specifically tailored for home education families. This immersive experience will provide learners with a deep understanding of the sacrifices made by the Royal Engineers during times of conflict.

### Date

Tuesday 5th November

### Time

Morning session aimed at Ages 5-11 (KS1/2) 10am- 12.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 1.30pm

Afternoon session aimed at Ages 11-16 (KS3) 01pm- 03.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 11am

### Highlights of the Day

- **Museum Stores:** Explore our extensive collection of military artifacts, including uniforms, medals, weapons, and personal items from soldiers. Learn about the critical roles played by the Royal Engineers in various wars and their contributions to engineering, communications, and logistics.
- **Interactive Workshops:** Engage in hands-on activities that bring history to life. Learners will have the opportunity to handle historical objects and use replica equipment to understand the day-to-day lives of soldiers.
- **Remembrance Ceremony:** Participate in a special ceremony to honor and remember those who have served and sacrificed. The ceremony will include a moment of silence, laying of wreaths, and the playing of "The Last Post."
- **Creative Activities:** Learners will have the opportunity to create poppy art, write letters of thanks, and make remembrance wreaths.

### Booking

Each child attending the day will need a pre-booked ticket costing £8 per child\* (accompanying adults free) which is payable at the time of booking. We want to accommodate as many learners as possible, so we prefer not to exceed a 1:1 ratio of adults to children. One adult can bring up to three children.

To help ensure that our learners get the most from their workshop, (spaces are limited), only children booked onto them may attend. All children need to be accompanied by an adult. To book tickets visit [www.re-museum.co.uk](http://www.re-museum.co.uk) (from September 2024).

## Home Education Days – Zulu Wars

Join us for an engaging and educational day focused on the Zulu Wars at the Royal Engineers Museum, specially designed for home education families. This immersive experience will provide students with a comprehensive understanding of the Zulu Wars and the significant role played by the Royal Engineers.

### Date

Tuesday 25th February

### Time

Morning session aimed at Ages 5-11 (KS1/2) 10am- 12.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 1.30pm

Afternoon session aimed at Ages 11-16 (KS3) 01pm- 03.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 11am

### Highlights of the Day

- **Museum Stores:** Explore our extensive collection of artifacts related to the Zulu Wars, including uniforms, weapons, maps, and personal items from soldiers. Learn about the critical roles played by the Royal Engineers in these conflicts, including fortifications, bridge building, and battlefield communications.
- **Interactive Workshops:** Engage in hands-on activities that bring history to life. Learners will have the opportunity to handle historical objects and use replica equipment to understand the challenges and innovations of the time.
- **Creative Activities:** Learners will have the opportunity to create Zulu shields, Zulu jewellery and Zulu musical instruments while listening to traditional Zulu music.

### Booking

Each child attending the day will need a pre-booked ticket costing £8 per child\* (accompanying adults free) which is payable at the time of booking. We want to accommodate as many learners as possible, so we prefer not to exceed a 1:1 ratio of adults to children. One adult can bring up to three children.

# ROYAL ENGINEERS MUSEUM

## Home Education Days – STEM

Join us for an exciting and educational STEM (Science, Technology, Engineering, and Mathematics) themed day at the Royal Engineers Museum, specifically tailored for home education families. This immersive experience will inspire students with the innovative spirit of the Royal Engineers and their contributions to STEM fields throughout history.

### Date

Tuesday 20th May

### Time

Morning session aimed at Ages 5-11 (KS1/2) 10am- 12.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 1.30pm

Afternoon session aimed at Ages 11-16 (KS3) 01pm- 03.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. Store tour – 11am

### Highlights of the Day

- **Museum Stores:** Explore our extensive collection of artifacts showcasing the technological advancements and engineering feats of the Royal Engineers. Discover the historical and modern applications of STEM in military contexts, including communications, construction, and transportation.
- **Interactive Workshops:** Engage in hands-on activities that highlight key STEM concepts. Students will have the opportunity to participate in engineering challenges, build simple machines, and experiment with materials to understand the principles of physics and engineering.
- **Creative Activities:** Learners will have the opportunity to build model bridges, and design futuristic vehicles, combining artistic skills with scientific knowledge.

### Booking

Each child attending the day will need a pre-booked ticket costing £8 per child\* (accompanying adults free) which is payable at the time of booking. We want to accommodate as many learners as possible, so we prefer not to exceed a 1:1 ratio of adults to children. One adult can bring up to three children.

## Home Education Days – Second World War

Join us for an informative and immersive Second World War themed day at the Royal Engineers Museum, specifically designed for home education families. This experience will provide learners with a comprehensive understanding of the pivotal role played by the Royal Engineers during the Second World War.

### Date

Tuesday 1st July

### Time

Morning session aimed at Ages 5-11 (KS1/2) 10am- 12.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. \*Store tour – 1.30pm

Afternoon session aimed at Ages 11-16 (KS3) 01pm- 03.30pm - Spaces limited to 15 children per workshop with two workshops running at the same time. \*Store tour – 11am

### Highlights of the Day

- **Museum Stores:** Explore our extensive collection of Second World War artifacts, including uniforms, weapons, vehicles, and engineering equipment. Learn about the crucial contributions of the Royal Engineers in various wartime operations, such as fortifications, mine clearance, bridge building, and logistics.
- **Interactive Workshops:** Engage in hands-on activities that bring history to life. Learners will have the opportunity to handle historical objects and use replica equipment to understand the challenges faced by soldiers and engineers during the war.
- **Creative Activities:** Learners will have the opportunity to create wartime propaganda posters, focusing on themes of morale, recruitment, and home front efforts.

### Booking

Each child attending the day will need a pre-booked ticket costing £8 per child\* (accompanying adults free) which is payable at the time of booking. We want to accommodate as many learners as possible, so we prefer not to exceed a 1:1 ratio of adults to children. One adult can bring up to three children.
